Dedication

During the past three years at Attleboro High School many of us have come to know a man whom we all honor and respect. Through his biology classes we have gained experience and knowledge. He has constantly devoted his time to the boys on our football team and has helped guide them through seasons of glowing victories. One could always turn to him for advice, patience, and understanding.

For the knowledge, devotion, and friendship you have given us, we would like to express our appreciation and gratitude by dedicating our yearbook to you, Mr. Robert Bray, whose presence has brightened the lives of everyone here at A.H.S.

Foreword

During our three years at A.H.S. work has been the major part of our lives—not only the kind of work which gives us knowledge but that which gives us pleasure. For this reason, we have chosen work as our theme.

As you look through this yearbook, you will realize that your work at A.H.S. has given you enjoyment, success, and the right to be proud of this class—the class of "1962."

Since, by tradition, the Tattletale used to be the last issue of the Blue Owl literary magazine which has recently reappeared at A.H.S., we thought it fitting to bring back tradition by using the blue owl as the cover of our Tattletale, the last to be composed within old A.H.S.

Our thanks go to Michaele Welch who was good enough to design our cover.

Ralph E. Sturke

Ralph E. Sturke

Principal of Attleboro High School

To the students of the graduating class of 1962.

Graduation brings you to one of the first of many crossroads in life at which you are faced with a major decision. You must choose between additional education or employment, between different schools or different job opportunities.

I sincerely hope that your decision will be wise and prudent for it will, to a large degree, determine your future role in life.

COACH AGUIAR

The A.H.S. Soccer team was first introduced two years ago under the direction of Joseph Aguiar.

The candidates report for tryouts in the early days of September. For the '61 season, there were twelve candidates for the team with Arthur Machado as captain.

Coach Aguiar feels that there is a good potential team for the '62 season, with Dave Swenson, a hard playing junior, as captain.

Where's the ball?

Let's go, Attleboro!

This year, as in the past, Attleboro has had once again a fine basketball season under the coaching of Mr. James Cassidy. Their hard work and long practices after school have definitely produced a fine Tech Tourney Team. They have certainly proved themselves worthy of second place in the Bristol County League. Congratulations to a great team!!

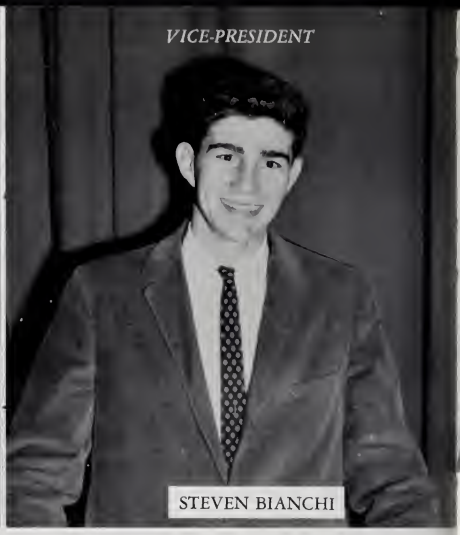
Class Officers

With our capable president, Gerry, rests the responsibility of presiding over those meetings which answer the important questions asked of our class.



It is the work of Steve, our vice-president, to carry out the duties of the president in his absence. The vice-president works with the president on the problems that occur within our class.

Without organized notes taken at meetings and efficient correspondence done by our secretary, Lois, it would be impossible for our other officers to function ably.

By the collection and tabulation of class dues, Carol makes possible those events which become such a memorable part of each senior's life.

Girls' State

Each year the American Legion and the Legion Auxiliary sponsor a program for girls — Girls' State. This imaginary state, modeled on our state government, is governed by the girls themselves. They hold elections, and certain members are chosen to attend Girls' Nation.

D.A.R. Good Citizen

The D.A.R. Good Citizenship Award is presented to a girl of outstanding character in the senior class each year. She is chosen by the members of her class and the faculty. The girl must possess these four qualities to an outstanding degree — dependability, service, leadership, and patriotism. Our class is proud to have Jacqueline DeSantos as its D.A.R. Good Citizen for 1962.

Boys' State

Delegates are chosen for Boys' State first on the basis of scholarship. Then extra curricular activities and interests are brought into consideration. Boys' State provides an excellent experience in learning about government, but more important, in meeting and cooperating with many different people.

Good Government Day Representative

Every senior class in Massachusetts selects one of its members to be its Good Government Day Representative. Our Senior class was represented by Joanne Hunt who took part in the Good Government Day activities at the State House in Boston. Congratulations, Joanne!

SOPHOMORE YEAR

Can anyone forget our first day at A.H.S. in September, 1959? We were both hopeful and a little frightened about the future, eager to do well and determined to make our class of 1962 one of the best ever to graduate from A.H.S.

Our first step in making our class one to be remembered was electing four of our capable, hard-working classmates as our officers. The results of the election showed that Vin O'Donnell had been elected president; Tom Carpenter, vice-president; Jackie DeSantos, secretary; and Art Nunes, treasurer.

How thrilled we were when our football team beat North in our first Thanksgiving game as A.H.S. students! That very same night Mike Welch reigned as sophomore queen of the Victory Dance.

Helping to make our class a success at A.H.S. was Chris Thomae, who won first prize in the annual science fair.

Our sophomore dance, "Parisian Spring", turned the gym into a street lined with cafes, leading to the Eiffel Tower. Thanks to the efforts of chairman, Jackie DeSantos; advisor, Miss Marino; and the other members of the committee, our dance was very successful.

As the end of the school year neared, excitement increased over who from our class would be chosen as cheerleaders and majorettes. How pleased we were to learn that Karen Burke and Evie Weiss had been elected to the cheering squad! Also making us proud were Bonnie Blackburn, Carol Grocki, Cheryl Parker, Pam Pelletier, and Ursula Pickart, who were chosen majorettes!

As the last day of school approached, we looked back on our sophomore year with pride. We had lived up to our hopes and expectations. But we looked eagerly to the future, because our junior year promised to be even better.

JUNIOR YEAR

Summer vacation of 1960 came to an end; and we returned to A.H.S., this time with more confidence than we had had the year before. After all, we were upperclassmen now!

As the end of September rolled around, we were all so happy to be wearing our class rings. We will always cherish and be proud to wear them.

To lead our class as officers in our junior year, we elected Gerry Vachon as president; Don Lange, vice-president; Jerry Balser, treasurer; and Lois Denham, secretary.

This year's football season was very successful thanks to the combined efforts of our hard-working team and our new coach, Mr. James Cassidy. The highlight of the season was our Thanksgiving Day win over North, 12-0. We were especially proud of Tom Carpenter, who was awarded the first annual Balfour trophy for his outstanding performance in the game. Reigning as junior queen of the Victory Dance was Evie Weiss.

The Tri-Y election rolled around, and we tried hard to choose the girls we felt would best serve the club and represent the class. The nine girls honored were: Barbara Bleasdale, Karen Burke, Carolyn Costine, Lois Denham, Jackie DeSantos, Pam Pelletier, Ursula Pickart, Evie Weiss, and Mike Welch.

With the onset of the basketball season, we saw our team readying itself for some tough competition, especially in the Tech Tourney. The boys turned in some very fine performances on the court aided by the junior members of the team. As a result of our team's hard work and fair playing, we ended up in a three-way tie for the Bristol County League championship with Fairhaven and Durfee High Schools. We were very proud of our boys at Tech Tourney where they succeeded in reaching the semi-finals and were finally defeated by strong New Bedford High School.

Carol Grocki headed our junior dance committee, and her hard work and that of the committee helped to turn the dance, "Pagan Festival," into a success.

Representing our class at Girls' State were Karen Burke and Ursula Pickart as alternate. We were also well represented at Boys' State with Eric Savolainen, Vin O'Donnell, and Bob Higginbotham serving as delegates; and Don Lange and Tom Carpenter as alternates.

At the annual science fair this year, Chris Thomae again carried off first honors for his project.

History

As the Honor Society induction approached, we were all excited and eager to know which students would be honored for their outstanding scholastic achievement and their qualities of leadership and citizenship. Those inducted were Alice Benschneider, Barbara Bleasdale, Tom Carpenter, Anne Cathcart, Lois Denham, Jackie DeSantos, Larry Gower, Joe Houde, Connie Newkirk, Vin O'Donnell, Pam Pelletier, Corinne Raposa, Eric Savolainen, and Chris Thomae.

Once again it came time to elect new cheerleaders to replace those graduating. The junior girls chosen were Carolyn Costine, Donna Mendes, Debbie Sheehy, Sally Sanders, and Mike Welch. Evie Weiss was chosen as head cheerleader. It was also announced that Bonnie Blackburn was chosen as head majorette.

After much hard work on their yearbook dummy, Pat Hannan and Debbie Sheehy were chosen co-editors of the yearbook. We knew they would do their best to make our yearbook the greatest ever.

Our second year at A.H.S. drew to a close; and as we had expected, it had been even better than our first.

SENIOR YEAR

As we entered our third and final year at A.H.S., we realized that now, finally, we were seniors! We were determined to make our last year our best.

At the Thanksgiving rally, the election results for our senior class officers were announced. To guide us through our last year at A.H.S. were Gerry Vachon as president, Steve Bianchi as vice-president, Carol LaFontaine as treasurer, and Lois Denham as secretary.

Under the guidance of Mr. Goding and the co-chairmen, Pat Hannan and Stan Barac, the senior social dance committee made our dance, "Offbeat Autumn" a spectacular success. Witches on rocket ships, a huge orange pumpkin, and a scarecrow provided a Halloween-ish atmosphere to keep in harmony with the season.

Eleven more girls were chosen to represent our class as members of the Tri-Y service organization. They were: Anne Cathcart, Charlotte Edgecombe, Carol Grocki, Pat Hannan, Diane Isabelle, Stella Mackinlay, Donna Mendes, Sherrill Pierce, Debbie Sheehy, Sue Smith, and Karen White.

Congratulations to Jackie DeSantos, who was chosen our DAR Good Citizen, and to Joanne Hunt, who was our Good Government Day representative!

Once again we screamed ourselves hoarse in support of our football team which, under the leadership of co-captains Tom Carpenter and Mike Shockro, turned in an excellent record for the season, tying with North for the championship of the Bristol County League. Although North defeated us in the Thanksgiving Day game, they had a difficult time accomplishing this feat, a fact which shows up in the close score, 14-12. Karen White was our senior queen at the Thanksgiving dance which was held a day after the game.

The Student Council functioned smoothly under the leadership of its able president Jerry Balser. Other officers were Gerry Vachon, vice-president; Vin O'Donnell, treasurer; and Jackie DeSantos, secretary.

As the yearbook deadline comes into view, our outstanding basketball team, under the able leadership of co-captains Don Lange and Bob Higginbotham, have just finished the season, taking second place in the Bristol County League. Our team is now heading for Tech Tourney. We are certainly proud of them and hope they go all the way.

Although we have to close, there are still many important events of the year to come: the science fair, National Honor Society Induction, the Senior Prom, the Senior Reception, and finally our graduation exercises.

We, the last class to graduate from old A.H.S., can look back on our high school years with pride in knowing that we have done our part in upholding the A.H.S. spirit, tradition, and high record of achievement.

Farewell

Our working world at A.H.S. has come to an end. What we have learned and accomplished here will help guide us into another working world which is just beginning. We, the co-editors of the 1962 Tattletale, hope that this yearbook will bring back not some, but many of the memories which we have shared in our three years at A.H.S. We would like to thank all of you who made the yearbook possible, especially our advisor, Mrs. Turner. May we wish you success and happiness in whatever you do in the future.

Pat and Debbie
